

**\$1,200 YEARLY
FROM \$500,000 FUND**

Jrey Hawley Chapman, inmate Sanitarium, Lacks Ordinary Comforts, Friends Say.

Native and friends of Geoffrey Hawley Chapman, among them Mrs. Ella of the Park Avenue hotel, are endeavoring to obtain an increase in his annual allowance

from a trust fund, valued at about \$500,000, held by the Title Guaranty and Trust Company. This is the real purpose, Mrs. Ellis said to an Evening World reporter to-day, of an action she has brought to collect a judgment for \$2,000 recovered in 1904 against Chapman. He will be remembered as the wealthy young Princeton student who went on the stage, played with Joe Jefferson and married Cora Clifford, actress. He has been a mental wreck and an inmate of a sanitarium for many years past. Mrs. Ellis says that all the income he has received from the trust fund is \$1,200 a year.

"For this amount," she said, "he

has a small bedroom in the sanitarium, where he is obliged to spend most of his time. He cannot even have an attendant to take him out for walks. His situation is pitiable. It is a matter of record in the suit brought by me that the income of the trust property amounts to more than \$10,000 a year. There is no reason why Mr. Chapman's allowance should not be sufficient to give him at least the ordinary comforts. His former wife, who has since remarried, does not get anything from the estate and does not want anything."

SUNDAY WORLD WANTS WORK WOMEN

**ROBBERS AT MERRICK
POST-OFFICE GET \$1,000**

New Steel Safe Wrecked by Explosion Which Citizens Disregarded as Noise of Train.

(Special to The Evening World.)
MERRICK, L. I., March 20.—For the fifth time in two and one-half years crackmen to-day broke into the post-office here and blew open the safe. They escaped with all of

its contents, said by Postmaster Harry Zerner to amount to \$1,000. It is believed the crackmen used an automobile. They entered the stable of J. W. Birch, a former postmaster, and "borrowed" a blanket. Entrance to the post-office was effected by jimmying the front door. After the safe had been drilled and the explosives "set," the blanket was wrapped around the safe. The detonation was terrific and several persons were aroused by it, but believed the noise was caused by a passing train. A milkman who went to the post-office this morning was the first to discover that it had been looted. He notified Postmaster Zerner, who sent

word to Constable Thomas W. Murray at Freeport. Murray started for Merrick with a pack of bloodhounds. Just after President Wilson had appointed Zerner postmaster here, several months ago, crackmen entered the post-office, wrecked the safe and escaped with \$500. Zerner then had a big steel safe installed. It was the one that was wrecked to-day.

The "Pamos" Contest Will Close on Thursday, March 26th

"Pamos" means Paper Mosaics, and is a fascinating and instructive pastime for young people. By means of scissors and paste, pretty color pictures in dozens of attractive subjects are made.

The present contest is purely one of skill and accuracy, and chance does not enter into it in any way. These are the conditions of awarding prizes:

(1) Degree of accuracy and precision with which each piece is cut out, and the dotted outlines cut away.

(2) Correctness in placing all pieces where they belong, so that no guidelines show.

(3) Proper pasting of each piece without looseness or unevenness.

To have your children qualify for the contest, have them make up a "Pamos" Mosaic, write name and address plainly on back of picture and send or bring it to

The GIMBEL TOY STORE

The pictures will be examined by an impartial jury, who will award the prizes in each of the three classes for "Pamos" Mosaics.

5 x 7 in. 8 x 10 in. 11 x 18 in.

As many "Pamos" Mosaics as desired may be entered. All children under 14 years of age may compete.

When two or more productions of the same picture in the same class are equally good, each will get a prize.
